INDEX

INDEX TO 1959 EDISON ELECTRIC INSTITUTE BULLETIN

Volume 27

Issue	Pages
January (2 Sections)	1-32
February	33-64
March	65-104
April	105-196
May	197-228
June	229-260
July-August	261-292
September	293-324
October (2 Sections)	325-356
November	357-396
December	397-428

UNIVERSITY of PENNSYLVANIA LIBRARIES

General Index

A

Accident Prevention Committee
- Atlantic City Meeting, 425
- Los Angeles Meeting, 320
- New York Meeting, 98

Accidents
- Analysis of Fatal Accidents in the Electric Light and Power Industry in 1958—S. H. Young, 275

Accounting
- Are You Getting a Full Measure?—E. J. DeChambeau, 244
- Centralized vs. Decentralized Purchasing Departments—W. Y. Cottom, 239
- Credit Picture, 284
- EEI-AGA Accounting Conference, 207
- Liberalized Depreciation for Income Tax Purposes—Cortis N. Rice, Jr., 235
- Management and Methods—Allen B. Wilson, 81
- Mechanically Printed Bills of Material—Fred Warmbier, 286
- National Conference of Electric and Gas Utility Accountants, 67
- Research Project on Automatic Electronic Accounting Machinery, 309
- Sixth EEI-AGA Electronics Seminar, 53
- Summary of the Computation Laboratory of Harvard University, 311
- Tax Awareness Outside of the Tax Department—William H. Harrison, Jr., 214

Accounting Division Committees, 363

Action: the Realization—J. Theodore Wolfe, 345

Alabama Power Wins Edison Award for Developing Water Resources, 112

All-Electric Kitchen Carnival, 241

American Electric Power Sales Reach 25 Billion Kwhr, 394

American Way
- American Way in Tomorrow's World—Hon. Barry Goldwater, 137
- Main Street Approach to Our Industry Problems—Allen S. King, 359
- Problem of Government Ownership of the Electric Light and Power Business in the United States—Edwin Vennard, 399
- What Shall We Do to Preserve Freedom?—Edwin Vennard, 263

American Way in Tomorrow's World—Hon. Barry Goldwater, 137

Analysis of Fatal Accidents in the Electric Light and Power Industry in 1958—S. H. Young, 275

Anniversaries
- 50th Anniversary, 223
- Light's 80th Birthday, 351

Appliance Sales Training Course Offered by EEI, 301

Applied Citizenship
- Applied Citizenship at Detroit Edison—S. F. Leahy, 299

Applied Citizenship at Detroit Edison—S. F. Leahy, 299

Are Women Important in Your Life?—Mrs. Mary G. Roebling, 119

Are You Getting a Full Measure?—E. J. DeChambeau, 244

Area Development
- Area Development Film Available from EEI, 102
- Area Development Film Wins 'Chris' Award, 224
- Area Development Workshop to Be Held in Phoenix, 344
- Utility President Looks at Area Development—Harllee Branch, Jr., 405

Area Development Film Available from EEI, 102

Area Development Film Wins 'Chris' Award, 224

Area Development Workshop to Be Held in Phoenix, 344

Arizona Public Service, Philadelphia Electric Win Reddy Awards, 285

Arkansas P&L Occupies Modern New Home, 408

A-Seminar Proceedings, 24

Atomic Energy Briefings Held in Three States, 87

Atomic Power
- A-Seminar Proceedings, 24
- Atomic Energy Briefings Held in Three States, 87
- Atomic Power: a Status Report and a Look at the Future—Elmer L. Lindseth, 146
- Dresden Nuclear Power Station—T. G. LeClair, 155
- First National Youth Conference on the Atom Announced, 68
- Future Use of Atomic Energy by Private Utilities—Arthur S. Griswold, 15
- Government, Industry and Nuclear Power—Hon. John A. McCone, 141
- Indian Point Nuclear Power Plant—R. F. Brower, 151
- Nuclear Power: an Industry in Orbit?—James F. Fairman, 384
- Progress at the Enrico Fermi Atomic Power Plant—H. A. Wagner, 157
- Reddy Stars in Film on Atom, 297
- Yankee Atomic Electric Company Project—Roger J. Coe, 153
- Youth Conference on the Atom, 221

Atomic Power: a Status Report and a Look at the Future—Elmer L. Lindseth, 146

Automation
- Commonwealth Edison Installs Automatic System to Regulate Production of Electricity, 280
- How a Digital Computer Can Aid the Transmission & Distribution Engineer—L. W. Coombe, 218
- Mechanically Printed Bills of Material—Fred Warmbier, 286
- Mechanized Data Processing as a Tool for Better Management Information—A. W. Hatch, 88
- Research Project on Automatic Electronic Accounting Machinery, 309
- Sixth EEI-AGA Electronics Seminar, 53
- Summary of the Computation Laboratory of Harvard University, 311

Awards
Alabama Power Wins Edison Award for Developing Water Resources, 112
Arizona Public Service, Philadelphia Electric Win Reddy Awards, 285
Duquesne Light Wins Second Safety Council Award, 274
EEI Medals Are Presented to 15 for Saving Lives, 92
82 Safety Awards Presented, 316
Five Receive EEI Medals for Life-Saving Efforts, 419
Rules Simplified in Awards Contest, 428
72 Safety Achievement Awards Presented, 14
Vigorous New Approach to Selling Presented at Sales Conference, 69

B

Beckjord Honored, 252
Better Light Better Sight Bureau
BLBS Covers for School Books, 192
New Consumer Booklet Is Offered by BLBS, 76
'Story of Light and Sight,' 91
Survey Shows Educators Use BLBS Teaching Aids—Walter G. McKie, 282
25th Year of BLBS Bureau, 25
Biographies of Speakers, 40
BLBS Covers for School Books, 192
Brightest Street in the World—John D. Weber, 353
Bulk Power Planning of the Duke Power Co. System—F. W. Beyer, 19

C

Casey Says Bring Supervisor Back into 'Family,' 387
Centralized vs. Decentralized Purchasing Departments—W. Y. Cottom, 239
Challenge of Soviet Power—Allen W. Dulles, 179
Cisler Heads 'Invest in America' Week, 83
'Climate Control' in Load Growth or Let's Grow in Comfort—C. M. Wallace, Jr., 131
Coleman (Wilgar), Editorial Director of EEI, Retires after 35 Years, 56
Commercial Sales
Commercial Sales Over the Postwar Era—R. D. Farrer, 271
Commercial Sales Over the Postwar Era—R. D. Farrer, 271
Committees of the Board of Directors, 328
Common Sense—Our Uncommon Weapon—Fred C. Foy, 231
Commonwealth Edison Installs Automatic System to Regulate Production of Electricity, 280
Communication
Mechanized Data Processing as a Tool for Better Management Information—A. W. Hatch, 88
Community Relations
Rawls Cites Acceptance by 'People' as Necessary to Stay in Business, 391
Competition for Energy Dollars—T. O. McQuiston, 126
Condensed Version of Gilbert Report Is Available, 118
Conventions and Meetings
Accident Prevention Committee Meeting, 98, 320, 425
EEI-AGA Accounting Conference, 207
Electrical System and Equipment Committee Meeting, 28, 225, 288, 422
Hydraulic Power Committee Meeting, 258
Insurance Committee Meeting, 62, 289, 425
LBE Women's Conference Scheduled Jan. 7-9 in Chicago, 421
Live Better Electrically Women's Conference, 48
Meter & Service Committee Meeting, 255, 395
National Conference of Electric and Gas Utility Accountants, 67
Need for Stepped-Up Selling to Be Stressed at Institute's Sales Conference in Chicago, 46
Prime Movers Committee Meeting, 29, 99, 256
Purchasing and Stores Committee Holds 12th Annual Meeting, 236
Purchasing and Stores Committee Meets May 4-6, 76
Round Table Conference Stresses Importance of Employee Relations, 387
Sixth EEI-AGA Electronics Seminar, 53
10th Annual Commercial Electric Cooking Conference, 247
Transmission & Distribution Committee Meeting, 101, 319, 423
12th Round Table Conference to Be Held Sept. 21-23, 298
Vigorous New Approach to Selling Presented at Sales Conference, 69
Corette Says Industry Wives Are Not Properly Informed, 185
Cost of Federal Projects with Power Installations, 350
Credit Picture, 284
Customer, Employee and Investor Relations Division Committees, 331
Customer Information—What, Why and How—J. H. Purdy, 209
Customer Relations
Customer Information—What, Why and How—J. H. Purdy, 209
Inventorying Customer Contacts—E. O. George, 199
Rawls Cites Acceptance by 'People' as Necessary to Stay in Business, 391
We Are Neglecting Our Greatest Asset—J. K. Busby, 187

D

Data Processing
Mechanized Data Processing as a Tool for Better Management Information—A. W. Hatch, 88
Decision Making
Action: the Realization—J. Theodore Wolfe, 345
Deductible Fire Insurance—A. L. Chavannes, 85
Depreciation
Liberalized Depreciation for Income Tax Purposes—Cortis N. Rice, Jr., 235
Designing Systems for the Future—Lewis R. Gaty, 159
Domestic Kwhr Sales Over the Postwar Period, 253
Dresden Nuclear Power Station—T. G. LeClair, 155
Duquesne Light Wins Second Safety Council Award, 274

E

Edison, Thomas A.
Light's 80th Birthday, 351
Education
Scholarship Program Is Revised, 30
EEI Accounting and Sales Divisions Announce Committee Plans for Year, 363
EEI-AGA Accounting Conference, 207
EEI Announces Electrical Device to Treat Heart, 104
EEI Appoints M. O. Whithed Rural Service Manager, 79
EEI Committee Personnel
Officers, Board of Directors, Committees and Committee Personnel of the EEI for 1959-1960—Section II, October Issue
EEI Committees
Accounting Division Committees, 363
Committees of the Board of Directors, 328
Customer, Employee and Investor Relations Division Committees, 331
EEI Accounting and Sales Divisions Announce Committee Plans for Year, 363
Engineering and Operating Division Committees, 333
General Division Committees, 338
Sales Division Committees, 369
2000 Members of EEI Committees Work Together for Industry, Public, 327
EEI Convention
Alabama Power Wins Edison Award for Developing Water Resources, 112
American Way in Tomorrow's World—Hon. Barry Goldwater, 137
Are Women Important in Your Life?—Mrs. Mary G. Roebling, 119
Atomic Power: a Status Report and a Look at the Future—Elmer L. Lindseth, 146
Biographies of Speakers, 40
Challenge of Soviet Power—Allen W. Dulles, 179
'Climate Control' in Load Growth or Let's Grow in Comfort—C. M. Wallace, Jr., 131
Competition for Energy Dollars—T. O. McQuiston, 126
Corette Says Industry Wives Are Not Properly Informed, 185
Designing Systems for the Future—Lewis R. Gaty, 159
Dresden Nuclear Power Station—T. G. LeClair, 155
EEI Convention Program for 1959, 35
Electric Power for a Strong America—J. E. Corette, 113
'Electric Power for a Strong America' Is Theme of 27th EEI Convention, 7
Government, Industry and Nuclear Power—Hon. John A. McCone, 141
Indian Point Nuclear Power Plant—R. F. Brower, 151
Knapp (Sherman R.) Elected EEI Vice President, 111
NELP Plans, Objectives for 1959—George W. Ousler, 129
New Dimensions in the Electrical Future—Mark W. Cresap, Jr., 123

New Members of the EEI Board of Directors, 108
New Orleans—EEI's 1959 Convention City, 42
New President of the Institute, 109
Our Challenge in Providing Electric Power for a Strong America—J. B. Thomas, 193
Pricing Policies for Tomorrow—Robert S. Quig, 173
Progress at the Enrico Fermi Atomic Power Plant—H. A. Wagner, 157
Remarks of Allen S. King in Accepting Presidency of the Edison Electric Institute, 110
Report on EEI's National Electric Living Program—E. O. George, 126
Requisites for Successful Financing in the Future—Dr. Herbert B. Dorau, 164
Steady Electric Industry Growth Seen Increasing U. S. Power Lead Over Russia, 107
We Are Neglecting Our Greatest Asset—J. K. Busby, 187
Yankee Atomic Electric Company Project—Roger J. Coe, 153
EEI Convention Program for 1959, 35
EEI Customer, Employee and Investor Relations Division
New Division Committees Hold Meetings, 71
EEI Customer Relations Committee
Members of the Customer Relations Committee, 72
EEI Issues Revised Method for Electric Output Index, 18
EEI's Live Better Electrically Program, 382
EEI Medals Are Presented to 15 for Saving Lives, 92
EEI's National Electric Living Program Will Be Launched in February, 9
EEI Officers
Officers, Board of Directors, Committees and Committee Personnel of the EEI for 1959-1960—Section II, October Issue
EEI Personnel
Coleman (Wilgar), Editorial Director of EEI, Retires after 35 Years, 56
EEI Appoints M. O. Whithed Rural Service Manager, 79
Kearney Named to EEI, 32
Parkerson Named Supervisor of Statistics for EEI, 411
Thornborrow Named EEI Director of Economics and Statistics, 83
Zeuthen Heads Live Better Electrically Program, 302
EEI Publications
Freedoms Foundation Honors EEI Program, 98
I Want to Know About The Electric Industry, 281
New EEI Booklet Describes Role of Electricity in U. S. Progress, 26
New 'Pocketbook of Statistics' Available from EEI, 27
New Rate Book Available, 252
New Resuscitation Manual Available from EEI, 285
Revised Atom Booklet Available from EEI, 318
EEI, SBA Count Small Business Manufacturing Facilities, 204
800 Expected at PEA Meeting, 297
82 Safety Awards Presented, 316
Electric Industry
Are Women Important in Your Life?—Mrs. Mary G. Roebling, 119
Electric Industry's Record in 1958—J. E. Corette, 3
Electric Power for a Strong America—J. E. Corette, 113
I Want to Know About The Electric Industry, 281
Main Street Approach to Our Industry Problems—Allen S. King, 359
Management and Methods—Allen B. Wilson, 81
Our Challenge in Providing Electric Power for a Strong America—J. B. Thomas, 193
Soviet Group Sees U. S. Electric Power Developments—Harvey E. Bumgardner, 412
U. S. to Keep Power Lead Over Russia, Joint Committee to Be Told, 379
Willson Warns Wisconsin Utilities Group on the Hazards of Big Government, 418
Electric Industry's Record in 1958—J. E. Corette, 3
Electric Living in the USSR and in America, 307
Electric Power for a Strong America—J. E. Corette, 113
'Electric Power for a Strong America' Is Theme of 27th EEI Convention, 7
Electrical System and Equipment Committee
Atlanta Meeting, 225
Charlotte Meeting, 28
Kansas City Meeting, 422
Pittsburgh Meeting, 288
Electronics
Sixth EEI-AGA Electronics Seminar, 53
Employee Information
Nine Companies Participate in Training Program for EEI Employee Information Courses, 273
Employee Relations
Casey Says Bring Supervisor Back into 'Family,' 387
'Employees Are People,' King Tells Conference, 389
Naughton Says Speak Language of the Customer, 389
New Era in Personnel Responsibility Seen by Jack, 388
Parker Says Survey Shows Supervisors Sparing on Praise, 390
Rawls Cites Acceptance by 'People' as Necessary to Stay in Business, 391
Recruiting, Development, Motivation Discussed by Welsh, 392
Round Table Conference Stresses Importance of Employee Relations, 387
12th Round Table Conference to Be Held Sept. 21-23, 298
'Employees Are People,' King Tells Conference, 389
Engineering and Operating Division Committees, 333

F

Federal Power Projects
Cost of Federal Projects with Power Installations, 350
50th Anniversary, 223
Financing
Requisites for Successful Financing in the Future—Dr. Herbert B. Dorau, 164
First National Youth Conference on the Atom Announced, 68
First Step of Heat Storage Research Program Completed, 250
Five Receive EEI Medals for Life-Saving Efforts, 419
Forecasting
U. S. to Keep Power Lead Over Russia, Joint Committee to Be Told, 379
Freedoms Foundation Honors EEI Program, 98
Future Use of Atomic Energy by Private Utilities—Arthur S. Griswold, 15

G

Gas-Magnetic Field System of Power Generation Studied by 10 Companies, 409
General Division Committees, 338
Generation
Commonwealth Edison Installs Automatic System to Regulate Production of Electricity, 280
Designing Systems for the Future—Lewis R. Gaty, 159
Gas-Magnetic Field System of Power Generation Studied by 10 Companies, 409
George Cites Need for Market Research in the Electric Utility Industry, 80
Getting the Dog Past the Jam—W. C. Bremner, 57
Gilbert Report
Condensed Version of Gilbert Report Is Available, 118
Gilbert Report—William M. Shepherd, 51
Gilbert Report—William M. Shepherd, 51
Government Encroachment
What Shall We Do to Preserve Freedom?—Edwin Vennard, 263
Government, Industry and Nuclear Power—Hon. John A. McCone, 141
Government Ownership
Problem of Government Ownership of the Electric Light and Power Business in the United States—Edwin Vennard, 399
Willson Warns Wisconsin Utilities Group on the Hazards of Big Government, 418

H

Heat Storage
First Step of Heat Storage Research Program Completed, 250
Here's What the Customers Are Saying, 201
History of the Prime Movers Committee—Alex D. Bailey, 317
How a Digital Computer Can Aid the Transmission & Distribution Engineer—L. W. Coombe, 218
Human Relations
Human Relations and Accident Prevention—W. E. Montgomery, 303
Human Relations and Accident Prevention—W. E. Montgomery, 303
Hydraulic Power Committee
Lake Ozark Meeting, 258

I

I Want to Know About the Electric Industry, 281
Indian Point Nuclear Power Plant—R. F. Brower, 151
Industry Allies Plan Support of National Electrical Week, 6
Industry Executives Tour USSR, 274
Inflation
  Common Sense—Our Uncommon Weapon—Fred C. Foy, 231
Information Program on Safety Practices, 27
Information Programs
  Corette Says Industry Wives Are Not Properly Informed, 185
  Customer Information—What, Why and How—J. H. Purdy, 209
  Information Program on Safety Practices, 27
  Main Street Approach to Our Industry Problems—Allen S. King, 359
  Mechanized Data Processing as a Tool for Better Management Information—A. W. Hatch, 88
  Nine Companies Participate in Training Program for EEI Employee Information Courses, 273
Information Service
  Information Service Started, 315
Information Service Started, 315
Insurance
  Deductible Fire Insurance—A. L. Chavannes, 85
Insurance Committee
  Boston Meeting, 425
  Philadelphia Meeting, 62
  Williamsburg Meeting, 289
Inventorying Customer Contacts—E. O. George, 199
'Invest in America' Week
  Cisler Heads 'Invest in America' Week, 83

K

Kearney Named to EEI, 32
Knapp (Sherman R.) Elected EEI Vice President, 111

L

LBE Women's Conference Scheduled Jan. 7-9 in Chicago, 421
Liberalized Depreciation for Income Tax Purposes—Cortis N. Rice, Jr., 235
Light's 80th Birthday, 351
Live Better Electrically
  All-Electric Kitchen Carnival, 241
  'Climate Control' in Load Growth or Let's Grow in Comfort—C. M. Wallace, Jr., 131
  Competition for Energy Dollars—T. O. McQuiston, 126
  EEI's Live Better Electrically Program, 382
  EEI's National Electric Living Program Will Be Launched in February, 9
  LBE Women's Conference Scheduled Jan. 7-9 in Chicago, 421
  Live Better Electrically Women's Conference, 48
  Medallion Home Exhibited in Soviet Capital, 269
  Medallion Homes Promoted in Many Areas; Ranges and Water Heaters Featured, 393
  NELP Plans, Objectives for 1959—George W. Ousler, 129
  NELP Sound Film and Pamphlet Available, 64
  NEMA to Administer Medallion Home Trademark, 410
  100 Power Companies Join Christmas Promotion, 426
  $100,000 Light for Living Medallion Home Contest, 205
  $1,000,000 All-Electric Living Ad to Appear in 'Life,' 242
  Report on EEI's National Electric Living Program—E. O. George, 126
  6 Million All-Electric Homes Predicted by 1970, 396
  Trade Ads Announced for EEI Contest, 290
Live Better Electrically Women's Conference, 48

M

Main Street Approach to Our Industry Problems—Allen S. King, 359
Management and Methods—Allen B. Wilson, 81
Manpower
  Are You Getting a Full Measure?—E. J. DeChambeau, 244
Mechanically Printed Bills of Material—Fred Warmbier, 286
Mechanized Data Processing as a Tool for Better Management Information—A. W. Hatch, 88
Medallion Home Exhibited in Soviet Capital, 269
Medallion Homes Promoted in Many Areas; Ranges and Water Heaters Featured, 393
Members of the Customer Relations Committee, 72
Meter & Service Committee
  Portsmouth Meeting, 395
  St. Louis Meeting, 255

N

National Conference of Electric and Gas Utility Accountants, 67
National Electric Living Program
  All-Electric Kitchen Carnival, 241
  'Climate Control' in Load Growth or Let's Grow in Comfort—C. M. Wallace, Jr., 131
  Competition for Energy Dollars—T. O. McQuiston, 126
  EEI's Live Better Electrically Program, 382
  EEI's National Electric Living Program Will Be Launched in February, 9
  LBE Women's Conference Scheduled Jan. 7-9 in Chicago, 421
  Medallion Home Exhibited in Soviet Capital, 269
  Medallion Homes Promoted in Many Areas; Ranges and Water Heaters Featured, 393
  NELP Plans, Objectives for 1959—George W. Ousler, 129
  NELP Sound Film and Pamphlet Available, 64
  NEMA to Administer Medallion Home Trademark, 410
  100 Power Companies Join Christmas Promotion, 426
  $100,000 Light for Living Medallion Home Contest, 205
  $1,000,000 All-Electric Living Ad to Appear in 'Life,' 242
  Report on EEI's National Electric Living Program—E. O. George, 126
  6 Million All-Electric Homes Predicted by 1970, 396
  Trade Ads Announced for EEI Contest, 290
National Electrical Week
  Industry Allies Plan Support of National Electrical Week, 6
  National Electrical Week Scheduled Feb. 7-13, 362
National Electrical Week Scheduled Feb. 7-13, 362
Naughton Says Speak Language of the Customer, 389
Need for Stepped-Up Selling to Be Stressed at Institute's Sales Conference in Chicago, 46
NELP Plans, Objectives for 1959—George W. Ousler, 129
NELP Sound Film and Pamphlet Available, 64
NEMA to Administer Medallion Home Trademark, 410
NEMA's 'Snowman' Award, 280
New Consumer Booklet Is Offered by BLBS, 76
New Dimensions in the Electrical Future—Mark W. Cresap, Jr., 123
New Division Committees Hold Meetings, 71
New EEI Booklet Describes Role of Electricity in U. S. Progress, 26
New Era in Personnel Responsibility Seen by Jack, 388
New Members of the EEI Board of Directors, 108
New Orleans—EEI's 1959 Convention City, 42
New 'Pocketbook of Statistics' Available from EEI, 27
New President of the Institute, 109
New Rate Book Available, 252
New Resuscitation Manual Available from EEI, 285
Nine Companies Participate in Training Program for EEI Employee Information Courses, 273
Nuclear Power: an Industry in Orbit?—James F. Fairman, 384

O

Obituary
